WHY LIQUISENTIALS?

The unique **patented** liquid colloidal form of Liquissentials allows them to be absorbed by the body much more completely than tablets and gel caps.

Precise manufacturing and independent testing ensure that Liquissentials contain **all** of the ingredients stated on their labels, with no contaminants.

Liquissentials do not contain artificial colors, flavors, binders, extraction solvents, sugar, yeast, wheat, gluten, corn, dairy, sodium, starch, or alcohol.
